# THE HOMES OF ST. GILES

FOR BRITISH LEPERS.

### FOREWORD.

Variable NTIL 1914 there existed in this country no institution in which lepers could find refuge. It is roughly estimated that there are from 50 to 100 lepers in the British Isles at the present time. These have contracted the disease, with a few rare exceptions, in the Colonies or elsewhere abroad.

Leprosy is a cruel disease associated with great disfigurement and helplessness, and its very name is liable to excite horror and repulsion. Hence the victims of it are apt to be shunned and neglected. They are not readily received in hospitals, and it is with the utmost difficulty that they can find a lodging. To meet this great need the Homes of St. Giles came into existence.

Though unfortunately at the present time no certain cure for leprosy is known to medical science, much advance has of late years been made in the treatment of the disease, from which advance our patients derive the fullest benefit.

An estate of twenty-seven acres with a small farmhouse in a secluded part of Essex was bought as a nucleus for the Homes. Bungalows were erected for the reception of the patients. The old farmhouse was enlarged to accommodate the nurses, and the other buildings were added, such as a small chapel (made out of an old barn) a Chaplain's house, gardener's cottage, guest house, laundry, and a medical block containing a small operating room.

There the patients are tended by the Sisters of a Community who devote their lives to this work. They receive regular medical treatment, and their spiritual needs are served by a resident chaplain.

The Homes are entirely unsectarian, and the only condition for admission is that the sufferer be a British subject and resident within the British Isles. There is accommodation in the Homes for about twelve male and two female patients. Patients with means are expected to contribute what they can afford, but those without means are equally welcome.

All this work has been done by voluntary subscription without Government help, and we earnestly appeal to you to enable it to be carried on.

Applications for admission should be sent to the Secretary, Mr. R. C. Bolton, 23, Coleman Street, E.C.2, who will gladly forward all particulars and who will gratefully receive subscriptions and donations, which are urgently needed.

# Report of the Executive Committee.

URING 1937 the work of the Homes has been satisfactorily carried on, although it has been attended by Company and the Company of the Homes has been satisfactorily carried on, although it has been attended by financial anxiety. During the 23 years the Homes have been in existence we have gradually been building up a reserve fund for endowment and general purposes, which at the end of 1936 amounted to some £8,000 but unfortunately, for the first time, during the past year we had to draw on this reserve for funds for carrying on the work.

The Homes have suffered a very great and irreparable loss in the death in November of Miss Lilian Baylis, C.H. Miss Baylis has been actively associated with the Homes practically ever since their inception. She had their welfare very much at heart and it was one of her last requests that donations should be given to the Homes, instead of flowers being sent for her funeral. This wish of hers was characteristic of the practical outlook she had on life. She would often go down to the Homes for a quiet time and rest after the strenuous life she led in London. For many years she has been instrumental in taking parties to the Homes, and, in fact, did more than anyone else in providing entertainments for the patients. The visits of the parties from "The Old Vic." and Sadlers Wells were eagerly anticipated, and a source of real pleasure to the patients, and they, as well as those responsible for the management of the Homes, feel that in her death they have lost a real friend.

Further, we cannot forget Miss Prevost, who assisted Miss Baylis in her lifetime in arranging entertainments at the Homes, and has carried on this work since Miss Baylis' death. To her we are deeply grateful.

Miss Bonnett, a friend of Miss Baylis, who was interested in a Leper Hospital in Africa, was good enough to take a Concert Party to the Homes, and in June arranged a Garden Party amongst her friends, which enabled her to present the Homes with a cheque for £14, for which the Committee is most grateful.

Miss May Harrison gave a Violin Recital which was greatly enjoyed, and the Committee again record their thanks to her, and to Mrs. McKenna,

who was kind enough to accompany her on the piano.

Among others we would thank Miss Diana Wynyard and the Members of "The Old Vic" Dramatic Company and Dramatic School for their visit, Miss Joan Cross and the other friends from the Opera and Ballet Companies, who once again entertained the patients, and Mr. and Miss Gordon Holmes, Miss Pott and Mr. Judson who placed cars at the disposal of the parties.

There is an urgent need for the extension of the Women's Bungalow to receive a pressing case and the Executive Committee feel that it would be a fitting memorial to Miss Baylis and the great work she has done for the Homes if this new wing were erected in her memory. The work is in hand and is proceeding satisfactorily and by the Spring of 1938 the bungalow will be ready for occupation. The Gommittee will welcome any donations, whether large or small towards the cost of the erection, which will be in the neighbourhood of £1,000.

At the end of the year there were nine patients in the Homes, the majority being cases in a fairly advanced stage. In addition two out-patients were receiving treatment and advice.

One of the patients, who was only a lad of 16 when he was admitted and had been in the Homes for many years, died in May. His was an advanced case and his release a happy one.

- Also during the year an out-patient died. He had been receiving assistance from the Homes for many years, and was practically blind. He passed away peacefully at the great age of 89.

In June another patient was admitted, a young man of 30 years of age. He is facing his trouble bravely and it is to be hoped that the treatment he is receiving will be successful in arresting the disease.

The Executive Committee cannot adequately express their thanks to the Sisters of the Sacred Passion and of the Community of St. Giles for the way in which they are carrying on the nursing and management at the Homes. They have brought to the Homes a sense of happiness and contentment. The patients are happy, the Homes are being run on sound economic lines, and the Committee have been relieved of much anxiety. The Community has itself borne the expense of the erection of a bungalow for the Sisters which they are finding a comfort and convenience, and has made a donation of £50 to the general funds, which the Committee gratefully acknowledges.

Once more the Committee record their grateful thanks to Toc H. Chelmsford Group for the continued assistance it has given to the Homes, and for the gift of an Aga cooking range at a cost of £60. Mr. Hussey, who is one of their members, and also a member of the Committee has, in spite of illness during the year, done much to assist the Sisters at the Homes and to him the Committee are most grateful. He has also found time to make various articles, which he has sold, and handed over £8 to the funds as the result of his labours.

Repairs and running expenses at the Homes have increased, and as there has been a deficit of income, over expenditure we have been obliged, as previously stated, to draw on our invested capital to meet expenses.

Once again the Committee put on record their gratitude to the President, Her Highness Princess Marie Louise for her continued and invaluable assistance in the work, and also to the Fellowship of St. Giles over which she presides, for a renewal of the grant of £600 to the General Fund as well as many gifts for comforts for the Patients and the Sisters.

The Committee thankfully acknowledge the generosity of the many subscribers and donors whose gifts enable the work to be continued. They desire to record their especial thanks for the following grants and donations received during the year:—

The Committee gratefully acknowledge £429 7s. 0d. contributed by the Patients or on their behalf.

The Committee gratefully record their thanks to Dr. Ivan M. Pirrie and Dr. Lee, the Medical Officers at the Homes. Not only do they attend the patients regularly and devotedly but assist in many other ways. To Dr. Muir of the British Empire Leprosy Relief Association for his visits to the Homes and advice in connection with the treatment of the patients; to Mr. A. C. King, the Dental Surgeon and to Mr. E. F. King, the Ophthalmic Surgeon, and to Mr. Angell, the honorary Architect, the Committee tender their grateful thanks.

In conclusion the Committee would stress that the Homes do not receive any state grant and apart from gifts from one or two old Leper Foundations are entirely dependent on a charitable public for their funds. New subscribers are urgently needed and names should be sent to the Secretary, Mr. R. C. Bolton, who will also thankfully acknowledge donations, however small.

Rev. C. R. DEAKIN (Warden)

# Report of the Committee.

O UR Report of the work of the Fellowship in 1937 cannot begin without a reference to the very happy conditions continuing to prevail at the Homes under the care of the present community. The Sisters of the Sacred Passion and the remaining Sisters of the Old Community are all working together with great success. The patients—though the greater number of them are alas! now terribly incapacitated—speak in most grateful and appreciative terms of all that is done to help them both physically and mentally in their sadly suffering lives. All but two are now totally or partially blind and are therefore very dependent on the services of those who so devotedly give their time in reading to and helping them in every possible way.

As we all realize, the existence of The Fellowship is for the supplying of the personal touch both by prayer for the patients and the provision of the many extra comforts that can help so much to ease life for them. We are thankful to say that so far we have been enabled to do much in the carrying out of these ambitions, but it will be noticed that our Balance this year is reduced to under £100, and as our Expenditure was £104 odd in excess of Income, we shall need a very considerable increase in our collections for 1938 to avoid having to restrict our undertakings.

The Branches are all doing good work though several of them in 1937 were unable to make their usual special efforts to augment their collections. We must hope that some such additions may be possible again during this year.

The Committee wish to express their thanks to all those both at St. Giles' and in the Branches who have worked so splendidly to make the Fellowship a living organization.

The Quiet Day and Annual Meeting were held as usual at St. Augustine's, Queen's Gate, in November, in spite of the regrettable absence through illness, of Father Deakin. At the meeting Her Highness

the President herself took the Chair, supported by the Abbot of Nashdom the Sister Superior from St. Giles, and Dr. Macleod, whose speeches were all heard with deep interest. The address previously given by the Abbot at the close of the Quiet Day was found most helpful.

We cannot close without a reference to the death of one of our most devoted supporters, Miss Lilian Baylis, who did so much to cheer the patients by constantly organizing parties of skilled actors and musicians to give entertainments at the Homes. Her illness, which lasted only a few hours, started on November 24th, just when she was hoping to join us at St. Augustine's, and a telegram was received from her expressing her concern at failing us on this occasion. Her loss is deeply felt by all at St. Giles's.

### SPECIAL NOTE.

There is very urgent need for new bed-linen for the patients. In the present condition of our funds, we do not quite see our way to risk dipping into them for this purpose. We wonder, would it be possible for each Branch to make a small collection outside their subscriptions for the supply of linen necessary for one bed.

President: H.H. PRINCESS MARIE LOUISE.

Hon. Secretary: Mrs. LE BRETON, Moor House, East Hanningfield, Essex.

We have had a very successful year. A good deal of linen which is always badly wanted has been sent, and many presents of socks and woollen gloves, and a cream machine, for which we were given the money, has given great joy. We are most grateful for all the help we have received.

### VICE-PRESIDENT'S REPORT FOR 1937.

We are again very grateful to all the Friends of this Branch for making it possible to contribute the sum of £27/9/9 during the past year to the Homes of St. Giles for British Lepers.

Money is urgently needed to build another Bungalow, and the treatment for each individual patient is very costly.

The more I learn of the wonderful comfort and relief that is given by means of these separate Bungalow Homes, with the devoted care and attention of the Sisters and Doctors, to those who suffer infinitely more than our imagination can possibly convey to us, the more I am emboldened to plead with our present rather small number of generous subscribers to each try and gain one new subscriber. It would mean a substantial addition to our contribution, and please remember how much those who suffer and those who care for them value and need our prayers.
